

HUMAN MILK BANKING SYMPOSIUM EXHIBITOR OPPORTUNITIES

April 30 – May 1, 2027

Embassy Suites by Hilton Minneapolis Downtown

Join 200 nonprofit human milk banking professionals for two days of meaningful conversations, collaboration, and connection. HMBANA's 2027 Symposium brings together staff and board members from our 30+ member milk banks at the Embassy Suites by Hilton Minneapolis Downtown to share best practices, discuss milk bank operations, and collaborate on solutions that support the nonprofit human milk banking community.

As an exhibitor, you'll have the opportunity to showcase your products and services while building relationships with the decision-makers and leaders from nonprofit milk banks across North America. In this focused, highly engaged environment, you'll have more opportunities for meaningful one-on-one conversations, demonstrate how your solutions can support their work, and build lasting relationships with the professionals shaping the future of donor milk.

Exhibitor Plus - \$2,700

- Logo on signage and event page of HMBANA website
- Half-page advertisement in event program
- Complimentary table in symposium hall
- Two complimentary participant registrations
- Two complimentary tickets to the Milk Bank Mingle
- Social media post thanking supporters
