

INTERNATIONAL  
**DONOR MILK CONFERENCE**  
April 20-21, 2026 - Rosemont, IL  
**The Milk Banking Ecosystem:  
Standards, Systems, and Science**

**HMBANA 2026 INTERNATIONAL DONOR MILK CONFERENCE  
POSTER ABSTRACT CRITERIA**

**HMBANA Conference Theme:** The Milk Banking Ecosystem: Standards, Systems, and Science

**The Human Milk Banking Association of North America (HMBANA) invites authors/presenters to submit a poster title, abstract, and author information by November 20, 2025.**

**We look forward to your abstract submissions for:**

- **Research reports:** Original scientific research, reports, or reviews.
- **Quality improvement:** Policy implementation, socioeconomic issues, or human milk banking models.
- **Special interest reports:** Innovative projects, education, legislative initiatives, economics, and equity.

Poster authors/presenters must disclose any financial relationship with an entity with a commercial interest; funding sources for the work, if any, should be acknowledged.  
(Reference: 2020 Standards for Integrity and Independence in Accredited Continuing Education)

To submit information for a poster, please apply [here](#).

For additional information or questions please email [meg@hmbana.org](mailto:meg@hmbana.org).

**Deadline for abstract submission:** Thursday, November 20, 2025

**Notices of acceptance:** Friday, December 5, 2025

**Invitation acceptance deadline:** Monday, December 15, 2025
