

INTERNATIONAL DONOR MILK CONFERENCE

Austin, Texas, April 19-22, 2020

HMBANA MEMBER MILK BANK SPONSORSHIP OPPORTUNITIES

Our Growth is Your Edge

Dear HMBANA Milk Bank Member,

Here is an exciting list of sponsorship opportunities for our international donor milk conference. By supporting HMBANA, you are also expanding your own milk bank's resources, as our growth is your edge for success.

Each of our 27 members is committed to nonprofit milk banking for the same reason – our drive to create a world where all infants have the access they need to human milk. Supporting our association lifts each of us up to accomplish this mission.

As we will discuss in the conference, the dynamics of donor milk and milk banking are constantly changing. Our ability to respond proactively requires that we grow financially. Your sponsorship helps us do that while also getting your milk bank well-deserved attention in front of your peers and our broader milk banking community.

I hope you will take the following options into consideration and I look forward to discussing them with you.

Sincerely,

Lindsay Groff, MBA
Executive Director
