Message from the Executive Director and the President

Welcome to the 2026 HMBANA International Donor Milk Conference. Under the theme of "The Milk Banking Ecosystem: Standards, Systems, and Science," we embark on enriching discussions, networking opportunities, and shared learning. Our agenda boasts a lineup of expert speakers poised to share the latest breakthroughs and insights and exceptional poster presentations.

With 200+ attendees, including lactation consultants, nurses, researchers, milk bank staff, and physicians, this conference promises to be a valuable opportunity for collaboration and learning.

Thanks to the Mothers' Milk Bank of the Western Great Lakes team for hosting the milk bank mingle. We also couldn't do this without our exhibitors, sponsors, content experts, volunteers, board, and staff who have contributed their time and expertise to this event. Thank you.

We look forward to engaging with you further throughout the conference. Welcome!

The International Donor Milk Conference has secured approval for up to 13.25 Continuing Education (CE) hours through Amedco LLC for physicians, nurses, and dietitians, as well as up to 10.75 CERPs for lactation consultants through IBLCE.

Amedco Continuing Education Credits

At the conclusion of the conference, attendees will receive a link to the Amedco evaluation portal. To receive CE credit, participants must complete the online evaluation and claim the number of credits corresponding to the sessions attended. Once the evaluation is submitted and credits are claimed, participants will be able to immediately download or print their CE certificate for their records.

If you need to access your certificate after the conference, you may return to the Amedco portal at any time to retrieve it.

IBLCE Continuing Education Credits (CERPs)

At the conclusion of the conference, attendees will receive a link to the IBLCE CERPs request form. To receive CERPs, participants must complete the CERPs request form by May 1, 2026. Certificates will be emailed to participants by May 15, 2026.

For certificate corrections or questions about CERPs, please email kadi@hmbana.org.
