

INTERNATIONAL DONOR MILK CONFERENCE

April 20-21, 2026 - Rosemont, IL

The Milk Banking Ecosystem: Standards, Systems, and Science

EXHIBITOR OPPORTUNITIES

Engage with 300+ professionals involved in human milk banking in a small setting designed to encourage meaningful, personal connections.

Your support of HMBANA's 2026 International Donor Milk Conference provides direct access to the staff and board members from our 32 member milk banks across the United States and Canada, as well as lactation consultants, neonatologists, human milk researchers, NICU nurses, hospital administrators, and more.

Don't miss this unique opportunity to engage one-on-one with key decision makers and influencers in the field of pasteurized donor human milk.
