

CALL FOR POSTERS

INTERNATIONAL DONOR MILK CONFERENCE

Austin, Texas, April 15-16, 2024

Harnessing the Power of Donor Milk and Making a Collective Impact

The **Human Milk Banking Association of North America (HMBANA)** invites authors/presenters to submit a poster title, abstract, and author information by **February 14, 2024**.

We look forward to your abstract submissions for:

- ◆ **Research reports:** Presentations of original scientific data collected by author(s) or synthesis of research findings.
- ◆ **Theory reports:** Presentations of a theory, idea, concept, policy, socioeconomic issue, or model that describes a foundation for the practice of human milk banking.
- ◆ **Special Interest reports:** Presentations of innovative concepts, ideas, projects, education, and processes that help meet the need for human milk.

Poster authors/presenters must disclose any financial relationship with an entity with a commercial interest; funding sources for the work, if any, should be acknowledged.

(Reference: 2020 Standards for Integrity and Independence in Accredited Continuing Education)

To submit information for a poster please apply [here](#).

For additional information or questions please contact Kandis Natoli at knatoli@milkbankofflorida.org
